Finger & Associates and New Youth Medical Spa realize that the economy has left many of us with limited budgets. As a valued patient, we would like to offer some special savings just for you.

Between now and September 1, 2009, our spa will offer a 20% discount on ALL spa treatments and New Youth skin care products.

In addition, each time you visit our spa for a treatment, you will receive gift certificates for \$50.00 off a Botox treatment and \$100.00 off an injectable, including Radiesse, Juvederm, Restylane, Perlane and Evolence. These gift certificates will be good through October 1, 2009 and may be used by you or given to a friend or relative of your choice.

We look forward to seeing you soon and hope that these discounts will allow you to continue with your goal of a "more youthful you".

Discounts not valid with any other offer.
